**Holiday Workshop:** A decision was made to hold a Holiday Workshop as we have had in the past. The date is December 7, 2019. Registration is at 9:45 am, and the workshop will be from 10:00 - noon, with two speakers. Diane C. volunteered to develop the flyer and send it to the Trustee for approval and get it on the Region 5 OA website.

**PI/PO:** Diane K.C. discussed contacting Valparaiso University to determine what could be done on campus to promote OA for new members. Diane C. reminded the group that OA.org has posters and materials for a booth at a school fair. Diane K.C. will also contact the members from the Thursday, Valparaiso meeting that has closed to see if anyone would be interested in starting up and supporting a new meeting at the University. She will report back at the next Intergroup meeting. If literature needs to be purchased, there is money left in the PI/PO budget. Jan G. also stated that she would call three members she hasn't seen lately as we also need 12th Step Within work.

**Region 5 Convention Basket Donation:** It was agreed that NWII would donate a basket for the Convention. Diane C. suggested she would provide a beach bag like what was done for Hoosier Recovery Day. Diane C. will donate the bag and reps should ask their groups for donations of beach-themed items.

**Telephone Access to NWII:** Discussion was again held regarding setting up remote telephone access for NWII meeting. No one present knows how to do it. Diane C. will call Kevin from Goshen to see what they do and then will contact the hospital to see what needs to be done.
